

Montana Fish, Wildlife & Parks

ELK ARCHERY HUNTING REGULATION ADVISORY COMMITTEE NOMINATION FORM

Purpose: To resolve wildlife management issues related to hunter harvest, the hunter's relationship with private landowners, associated landowner concerns, and outfitting on public and private lands in 23 hunting districts outside of the Missouri River Breaks.

Guiding Principles:

- The Montana hunting community includes resident and nonresident hunters, wildlife managers, guides, outfitters, public land managers, and private landowners.
- Montana's wildlife is held in trust by the State of Montana for the enjoyment of all.
- Montanans respect and understand that access to private land is a property right controlled by the landowner.
